Step 5: Sew Rows 1 - 5 together with the Sashing Rows, starting and ending with Sashing Rows as shown. Pay close attention to the rotation of the Sashing Rows. Every other sashing row will be rotated 180°.

Step 6: Sew two 2" x WOF M strips short ends together. Measure and cut to 78½" long or use the left side of the quilt to measure and cut your border strip. Sew to the left side of the quilt. Press. Repeat for the right side.

Repeat, using the 2½" x WOF M strips for the top and bottom. Either cut the strips to 81½" long or use the top of the quilt to measure and cut.

Step 7: Sew two 3" x WOF F strips short ends together*. Measure and cut to 82½" long or use the left side of the quilt to measure and cut your border strip. Sew to the left side of the quilt. Press. Repeat for the right side.

Repeat, using three 4" x WOF F strips for the top. For the bottom strip, use the excess you cut off the top strip sewn to two 4" x WOF F strips. Either cut the strips to 86½" long or use the top of the quilt to measure and cut.

*If your strip isn't long enough, use the excess you'll have from the top and bottom strips, cut down to 3".

Step 8: Sew two 1½" x WOF Q strips short ends together*. You can measure and cut to 82½" long or use the left side of the quilt to measure and cut your strips. Make two strips. Press each strip in half lengthwise, wrong sides together. Sew the flat fold insert to the sides of the Center Unit, lining up the raw edges and making sure your folded edge is facing toward the center of the quilt. Do not press. The flat fold insert will be left overlapping the F borders. *Use a third 1½" x WOF Q strip if necessary.

Repeat for the top, using three 1½" x WOF Q sewn strips short ends together, cut to 86½" long. For the bottom, use the excess from the top sewn to two 1½" x WOF Q strips. Sew to the top and bottom, overlapping the side inserts.

Step 9: Arrange a 5" x LOF A Floral strip centered on the left side of the Quilt. Sew to the Quilt, but stop and backstitch ¼" from each corner, leaving the border ends free. Press, but do not trim yet. Repeat for the right of the quilt. Repeat for the top and bottom of the quilt.

After the borders are stitched on, fold the quilt on the diagonal, right sides together, aligning the raw edges of two adjacent borders. With a ruler, mark a 45 degree line from the point where the stitching stopped on the border to the raw edge of the border.

Sew on the 45 degree line, backstitching at both ends. Before trimming to a ¼" seam allowance, check to make sure the corner is sewn correctly. Press. Repeat for each corner.

Step 10: Piece the backing at least 6" larger than the quilt top. Layer the backing wrong side up, the batting and the quilt top. Baste together. Quilt. Before binding, hand baste a scant ¼" around the edge of the quilt to hold the layers together. Piece the binding strips together. Fold the binding in half wrong sides together and press to make a double binding. Sew the binding to the quilt with a ¼", mitering the corners. Trim excess backing and batting and fold the binding over the back side and stitch down by hand with matching thread.
