Piecing Instructions

The blocks in the following steps can be whatever combination of 5" squares that you like. Mix and match your fabrics as desired or copy the layout of one of the quilts in the colorstories at the end.

Step 1: Gather one 5" x 5" Block square and one 2½" x 2½" background square. Draw a diagonal line from corner to corner across the back of the 2½" square. Lay the square in the upper left corner of the 5" square RST as shown and sew along the line. Trim ¼" away from the sewn line as shown and press.

Step 2: Sew a different 5" square to the bottom of the block from Step 1. Press. Repeat to make 24 left blocks.

Step 3: Repeat Steps 1 & 2 but this time put the 2½" background square in the upper right corner as shown. Repeat to make 16 right blocks.

Assembly Instructions

Step 4: Gather eight left blocks from Step 2 and seven 2½" x 9½" sashing strips. Lay the blocks out in a row - (*either mixing and matching blocks as desired or following the layout of your choosing*) - placing a sashing strip between blocks. Sew the row together and press.

Repeat to make 3 left rows.

Step 5: Repeat Step 4 with eight right blocks from Step 3 and seven 2½" x 9½" sashing strips.

Repeat to make 2 right rows.
