**Step 6:** Sew two (three if needed) 2" x WOF N strips short ends together. You can measure and cut to 84" long or use the left side of the quilt to measure and cut your border strip. Sew strip to the left side of the Quilt. Repeat for the right side of the Quilt.

Repeat for the top and bottom, using three 2" x WOF N strip sewn short ends together. Use the leftovers for the bottom. Either cut the strips to 87" long or use the top of the quilt to measure and cut.

**Step 7:** Arrange a 5" x LOF" B Floral strip centered on a side of the Quilt. Sew to the Quilt, but stop and backstitch ¼" from each corner, leaving the border ends free. Press, but do not trim yet. Repeat for the opposite side of the Quilt.

In the same way, sew a 5" x LOF" B Floral strip centered on a top and bottom of the Quilt.

After the borders are stitched on, fold the quilt on the diagonal, right sides together, aligning the raw edges of two adjacent borders. With a ruler, mark a 45 degree line from the point where the stitching stopped on the border to the raw edge of the border. Sew on the 45 degree line, backstitching at both ends. Before trimming to a ¼" seam allowance, check to make sure the corner is sewn correctly. Press. Repeat for each corner.

Repeat for the top and bottom, using the 3½" x WOF D strips. Either cut the strips to 99" long or use the top of the quilt to measure and cut.

**Step 19:** Piece the backing at least 6" larger than the quilt top. Layer the backing wrong side up, the batting and the quilt top. Baste together. Quilt. Before binding, hand baste a scant ¼" around the edge of the quilt to hold the layers together. Piece the binding strips together. Fold the binding in half wrong sides together and press to make a double binding. Sew the binding to the quilt with a ¼", mitering the corners. Trim excess backing and batting and fold the binding over the back side and stitch down by hand with matching thread.
